1. INTRODUCTION

- 1.1. Pentathlon GB (“PGB”) is the governing body for Modern Pentathlon in Great Britain and is affiliated to the UIPM. As such it selects athletes and teams for major events, including World Championships and Olympic Games.
- 1.2. This document will be subject to periodic review and may be amended post review both to ensure that it takes account of any external rule or policy amendments; and to ensure it includes any relevant feedback.
- 1.3. This document outlines the process and criteria that PGB will use to determine which athletes it wishes to select athletes for events at the World/European Laser Run, Biathle and Triathle Championships.
- 1.4. The Selection Panel will not take account of any verbal or written agreements with any individual athlete, whether or not they conflict with the published Policy and Process, meaning that no athletes should have any ‘legitimate expectation’ save as set out in this document.

1.5. Athletes seeking selection thereby agree to these Rules and to comply with and maintain the eligibility requirements and obligations referable to Athletes set out below.

2. AIM

- 2.1. The primary aim of this process is to maximise the medal winning potential for PGB at European and World Championships.
- 2.2. The secondary aim of this process is to provide opportunities for athletes to gain international experience who have potential to represent PGB with medal winning potential in future international events.
- 2.3. For the avoidance of doubt, the primary aim is the primary consideration and the secondary aim will only be considered subject to the requirements of the primary aim.
- 2.4. The aims set out in 2.1 and 2.2 above may be achieved by not selecting a representative in one or more of the Events.
- 2.5. Where the Selection Panel reasonably believes that (i) It is unlikely to achieve the primary aim in any Event or discipline and that the secondary aim cannot be met or can be met in an alternative manner and/or (ii) meeting the secondary aim would prejudice the primary aim, it shall be under no obligation to select a representative or select all of the representatives to which Pentathlon GB is entitled in any Event or discipline.
- 2.6. Where the Selection Panel reasonably believes that selection of an athlete or athletes would either contravene the duty of care owed to that athlete or athletes or would pose an unreasonable, as determined by the Selection Panel, risk to an athlete or athletes, it shall be under no obligation to select a representative or select all of the representatives to which Pentathlon GB is entitled in any Event or discipline.

3. SELECTION

- 3.1. All selections are made by a Selection Panel nominated by the Chief Executive Officer. Representation from within PGB and/or externally will form the remainder of the panel, who may include but are not restricted to Pentathlon GB staff or Board members, Laser Run, Biathle, Triathle team manager, and coaches and expert advisers. There will be a minimum of 3 voting members of the Panel.

Pentathlon GB reserves the right to select eight competitors in each class. The seventh and eighth competitors to be decided by the selectors taking onto account and considering any requests for byes received by the Selection Panel.

- 3.7. For Mixed Relay events, Pentathlon GB may choose up to 3 relay pairs to compete. Relay partners will be determined by the selection panel with consideration made to the competitive standards of the male and female counterparts. Mixed relay teams are not subject to change unless an athlete is ruled out on medical grounds.
